Just found out today 10/28/2017. I feel so bad, we (Teresa, Bimbo and I) were at your house or visa versa so often back in the day. Some wonderful times. Your mom and dad always made us feel welcome. Please know that our thoughts are with your family.

Aunt Mary was my rock. She inspired me to work hard and let nobody stop my goals. She devoted herself to the family and worked "happily" hard. She sewed in the winter and worked in the garden when the weather was nice. She and Uncle Bob were a life saver for my brother Joe and myself. I will never forget her winning attitude and playful rhetoric.
