Dear Tina, you were my best friend on this earth, so very sweet & kind hearted. I love you as if you were my own family, like a sister. I will miss you, (I already do). Your battle from that old disease, is finally over but you did put up a good fight to stay because you didn't want to leave your family because you loved and worried about them. But now your battle, the pain you suffered every day is finally over and now you have the hope of being resurrected to a life where there is No pain, no diseases, and death will be No more. So this is NOT goodbye rather it is I will see you again some day. So you rest for now & always remember that you had not just family that dearly loved you but you also had a whole host of friends that loved you dearly. So remember that yes you had to leave so soon but you Did leave a mark upon this earth, a mark of love. Your friend Donna Gartin
