Wes, you were always smiling and gracious. I was very blessed to have had the privilege to work with you for about 10 years. You loved the kids and they knew it and loved you right back. I will never forget the many times you would cry when talking about a child and in their presence or in a group. No doubt there is a very special crown for you in Heaven. You will be so greatly missed by many! Rest In Peace and we will meet again one day.
