My family and the Graleys go back 35+ years. My dad was very close many years with Don and shared several of the same interests. I was in a relationship with him for fifteen years. He was very good to me and my family. We loved him and he loved us. If Don was down with you, it was to the hilt. We had lots of fun times together too. Don accepted Christ several years ago at St Mary's Hospital. I admired the things he accomplished with his company and anything to which he applied himself. Rest In Peace, Don.
