I worked with Jane for many years at WV Department of Health and Human Services. After retirement, I ran into Jane often at her estate sales. I always enjoyed our conversations . She was so sweet and knowledgeable.\r\nI know she has had many health issues but was so saddened to learn of her passing. \r\nI recently sent her seeds for a flower she said she loved, Love in a Mist. She shared the name with me as I did not know it. When I plant my seeds and grow these beautiful flowers, they will always remind me of Jane. \r\nMy condolences to her family.
