This was her last year of circling around the sun, but it brings peace to know that she had come full circle from her humble beginning and now as she is laid to rest and transcends to heaven.

I have a lot of memories of Glada. One memory stands out. When visiting Grandma and Grandpa Burcham on Sunday all the cousins were playing Church. We were all asked to give a testament of faith. Glada jumped up and said, "\r\nI had a testament but the kids tore it up." The fun days we had visiting Grandma and Grandpa Burcham every Sunday.
