Man. How things change. Life is so unfair. You were good people man and I guess that's why they say the good die young. Cuz u are gone my dude I'm still here. That pretty much sums that up. I am gonna miss our wild rides through hell. Now that you're in heaven. Grab a gear for me up there and ask our father to look after us you left behind. Right now we need him. And his love. I already know we have yours. Thank you for the time you shared it was unforgettable. Much love and respect. Fly high and sideways grabbing gears. 😊
