Don was such a great guy. Of course you all were a great "band family" at Symmes Valley but more, you and Don were great friend too.\r\nI treasure the times Don spent with the band and remember working with him on your house and other projects. It was enjoyable. \r\nDon often gave me a helping hand when we lived on Slate Run, and I will always remember and be thankful for that. \r\nI so fondly remember him stopping by my house just to chat. Don will be missed...\r\n\r\nChris, you and your family are in our prayers for comfort. \r\nMike and Mikkie Pierce

Chris, I am so sorry. Don was a good Genealogical friend. Such a good worker for the Society and loved what he did. The Memorial Day parade in Ironton - and his driving the tractor pulling the trailer to Ironton in early morning and helping decorate it. Then driving it in the parade. Plus our newsletter. He will be missed! All my love and prayers to you and your whole family.
