James Michael Williams

OCT 28, 1938 - OCT 18, 2019

James Michael Williams 80 of Proctorville, OH was embraced by our Lord on Friday Oct 18th while at home surrounded by his family. Born to the late, James W. Williams and Marguerite Spears on Oct 28, 1938 in Huntington, WV, he was a 1957 graduate of HEHS. He was fondly known to many as “Jim” or “Mick”. After graduation he married the love of his life Carol Short on Dec 19, 1957. During his life he wore several hats, husband, father, papaw, army vet. Obtaining his dream of becoming a pilot, one of his greatest accomplishments was the title chief pilot of a King Air for INCO. He was always loyal, courageous, witty, jokester, and never lost his charm throughout life. Facing each obstacle in his life with grace and dignity defined his character. Family left to cherish his memories include; wife Carol Williams; daughters’ Cindie (Tony) Whitley, Cheri (Mack) Hoover; grandchildren Matthew (Ashley) Whitley, Courtney (Mark) Dailey, Jason Hoover, Derek Hoover, Jessica (Jarred) Perdue; great grandchildren Stella and Cash Whitley, Braxton, Brielle, and Beckham Dailey, Gavin, Bella, Griffin and Graydin Perdue; siblings Sandi Shewmake, Steve Williams of Richmond VA and the late Linda (Spears) Franco; and numerous friends that were like family. Funeral service will be held 2 p.m. Tuesday October 22, 2019 at Hall Funeral Home and Crematory, Proctorville, Ohio by Pastor Jeff Black. Burial will follow in Woodmere Memorial Park, Huntington, WV. The family will receive friends from 1-2 p.m. Tuesday at the funeral home. Condolences may be expressed to the family at www.ehallfuneralhome.com

Bob Mauk, Retired Director Of Operations Inco posted:

I read with sorrow of the passing of Jim in the Tuesday newspaper. I must share of my friendship and deep regard for Jim. As INCO pilot, he shuttled me to Elkhart Indiana, Hazelton PA, and even Kings Bay Georgia for the commissioning of SSN West Virginia submarine. He was a great friend and companion, always gracious, friendly, and competent. The only time I ever saw him lose his cool, was as he approached an icy runway at Hazelton in a February morning, after being told by the Control Tower that the runway was clear. I treasured my time with Jim and always felt safe. I hope he knew that. Peace and love. Bob Mauk
