This is Mike writing for myself and my mom, Linda. She is not able to get out and about tonight but wants Mooch's family--Theresa, Lonnie, and his wife & kids to know that they are in her thoughts and prayers tonight. \r\n\r\nRest in Peace Mooch. You were one of my first friends when my mom married George and we moved in across the street there on Daisy. I remember swimming with you and your brother in your family pool. I remember skateboarding out on the street with you and all the rest of the "Daisy Drive Gang." We hadn't seen each other in many years but I often remembered those fun times as kids. Rest in Peace to a good guy. Condolences to your mom, brother, wife and children. -- Mike.
