Melody and Gale, Greg, and family - \r\nWhat a blessing it was to attend church several years ago and worship with Betty! She was such a sweet, fun-loving, talented lady. What an asset she was with her beautiful singing and the awesome music she made while playing piano. Your mom was such a blessing in my life and all others! We will meet again.

Betty was one of the most beautiful persons I have ever met. She had a love for all people beyond measure. I loved her the day I met her. She was a beautiful piano player and singer. We would enjoy joining her when we came to visit. We would laugh for hour without end also. She loved the Lord and it showed in every aspect of her life. She will be truly missed but never forgotten. She is with our Heavenly Father, alive and well. We can learn much from our memories of this precious lady. I deeply pray for those she left behind. We are saddened by her passing, but joy come in the morning. Love and prayers for you all.
