Bub not a day goes by that I don't think about you and miss you more than words could ever say! You were always my protector, my big brother, my best friend! I'm so sorry I couldn't be there for you when you needed me to be! But you know if I could've been I would have! Till the day we meet again I'll keep you close, always, in my heart. I love you and miss you so!!
