To my beloved Brother. I will all miss our talks and our antics and I will miss that smile on your face. I will miss the love i have for you But I will remember you the same I love you more than I could ever tell you. But I know you will always be near Because you always have been there when I needed you and even when I didn't need you you were just a phone call away. I was so Happy when you found the love of your life, she made your world come alive. and I was happy you were finally Happy. I guess we wanted to keep you longer than God had in his plan, but I am glad you are not hurting anymore as you took his hand, I will be seeing you soon when it's my time to go. Love you so much Brother . Love you, signed: Brat. Love you Mikey Love ,Carolyn
