My heart is broken to no longer have John as my neighbor and friend, but more so for you Marsha and Johna and the rest of the family. John is one of the sweetest souls that I have ever known and I will never forget how he brought an authentic love each and every time I was blessed to see him (and Marsha) outside the house to talk with. I will miss most our conversations about his Christianity and I am comforted knowing that John had Jesus in his heart as he genuinely professed that to me quite often. This world has many troubles, but take heart because sin was overcome for those who accept that grace and there's no doubt that John is experiencing that victory right now. I pray for the peace that passes all understandings for the family. Love you.
