Gayle and Family: Please know that you and yours are in my thoughts during this challenging time. I have such beautiful memories of your son as a bright eyed, charismatic, happy boy when he and Josh would play together as children. Although I know mere words cannot sooth your pain, please know that my heart felt condolences are being sent your way.

Had so many memories with Riddle & all his family. Spent countless days & nights at his house growing up. From babysitting for them with his sister Kim to the parties we always had great times. If he could not make you laugh then it couldn't be done. I pray that your sweet baby will always have someone to teach him all the memories & good times. Fly high my friend. May you rest in peace.
