Daddy I can't believe you are gone. I love you and the only thing that is helping me through this is knowing that you are no longer suffering. It is still hard and i know you always said that song Cowgirls dont cry was your song to me but i cant stop crying. And i'm sorry I know you wouldnt want that but its hard. I love you and I will always be your baby girl like you said but fly high daddy and i will see you again someday
