To my dear love Anna. I will miss your smile and your big bright beautiful blue eyes. I will never forget the way we meet. I will forever and always have a special place in my heart. Your boys too. I will never look at birthday cake the same way again. Nor will I look at the ocean the same either. I can honestly say I found so much love and laughter with you. No words could ever explain my emotions right now. I love you so much you wonderful and much loved person. Please save me a seat in heaven next to you.
