Brent worked at my daughter's school along with his dad ("Mr. Brent"), who is my daughter's buddy. When my daughter would look for Mr. Brent after school, Brent would always stop what he was doing to help her find him. I remember his kind smile and warm heart. My deepest condolences, Mr. Brent, and the rest of Brent's family. I am praying for God to hold your hearts just as He is holding Brent now.

Brent was an incredible person with lots of talent, positive energy, and good words to say. I was hoping to help him in continuing his education in the future, but he will be doing that with our Heavenly Father. He was taken too soon. It was very heartbreaking, and i cannot imagine what his family is going through. I met Brent in Florida, i lived on East Bay Dr. where he would ride his bike all the way to my place, and he would then go back home. We were middleschool friends, i loved him dearly, and he meant a lot to me, as so he has touched so many lives. May he rest in peace, and may his family get justice for this tragedy. Lord Please Protect Our Brent. I wish i was closer to say goodbye, as it was just the other week we spoke. This is really difficult. -your dearest friend, Gabby
