Mona,\r\n My dear, dear friend, you will be missed unbelievably. I wish that I had known you all of my our lives like I got to know you our last few years. You were such an honorable and faithful friend. If anyone needed a friend to talk with, to help on a project, whatever you were always there No matter what you had going on in your own life. If you knew someone who was in a the hospital, you were there. The same for those in nursing homes, funerals to be attended , \r\nYou were always rhere. I asked you one time how you managed all of that, You said, "I just treat others how I would wish to be treated". You did a fantastic job. Most of us would go only on how we feel Not you, yes u went by "What is the right Thing to do?". You u were always a true and honorable friend. I love you Mona and wish I had shown you more. Il will close for now and see you on the other side.
