We had such a great childhood, but then we grow up and life takes us in different directions - that does not mean the love goes away since we are apart. I will always love you and I will always miss you. My prayer is that your love ones that are alive will choose the path to bring them back together to mourn, to love and to remember the great guy you are. Luv u - your cuz

Uncle Mike, \r\n Where do I begin? Words are never enough on how I'm feeling. From a small child coming to yours and Aunt Ann's house for summers throughout my childhood from helping me with military advice when I needed it. You will forever hold a special place in my heart. I have so many memories with you and I can't help but smile. Rest easy Uncle Mike, I love you!
