I'm going to miss you bro! I know our adult years hasn't been very close but our juvenile years was the shit. I remember being the only white kid on the block so all week I'd get bullied and my ass kicked but it was all good cause I knew when the weekend came you and Eric Nelson would be over to stay the night and we would go hurt everyone of them assholes down. I was always the biggest but I got to give it to you your ass was the meanest. When I get up there bro ima teach you how to Catfish. Lol. R.I.P BRO ima miss your hard headed ass believe that. Give everyone a hug and kiss for me and hold it down. Til we meet again \r\nLove you bro, B.J

I have known Tom since middle school through Eric Tyo, our grandson. Whenever Tom would come to our house he was always ready with a hello and good bye hug for his "other grandma". My thoughts are with your family.
