Tammy Bills lit a candle in honor of Fran.

I will miss my Frannie Farmer she was a very special lady to me. Fran always treated me like I was her own she loved me. I could always come see her or call or on the phone and it was like we just talked the day before. Fran and Jim and I had good times together. Fran would sometimes go to church with me she loved to sing and play her harmonica and she still did that till a couple of months ago. The 25 years I knew her still wasn't enough. Fran always talked about God she and I spent many times talking about the Bible and we would watch preaching when I would stay with her (sometimes while we were up eating our late night snacks) From this earth she will be missed she was my 2nd Mom but I know she is happy in heaven and she is a bright beautiful angel sining in Gods choir with Marion and Jim
