## Barbara Sue Thompson

OCT 19, 1957 - JAN 11, 2023

**B**arbara Sue Thompson, 65, of South Point, OH, passed away on Wednesday, January 11, 2023 at the Emogene Dolin Jones Hospice House in Huntington, WV. She was born October 19, 1957 in Huntington, WV, the youngest daughter of the late Everett and Louella (Brammer) Christian. Barbara was a 1975 graduate of Chesapeake High School. She later worked for and retired from AEP and was a member of the Teresa Chapter #257 Order of the Eastern Star. To know Barbara was to love her. She wore her giant heart on her sleeve, was fiercely loyal and dedicated to her family. She had a radiant spirit that never failed to lift up those around her. While having only two sons, many lovingly called her "Mom". Though the passing of Barbara will weigh heavy on hearts far beyond those of her family, she had long hoped that those attending her memorial service would share fond memories and funny stories to celebrate her life rather than grieve over her loss. She is survived by her loving husband, Larry Thompson; two sons, Bradley (Jessica) Chinn and James Randall (Cassie) Chinn; two sisters, Mary Lou (Ray) Haynes and Janet Lee Christian; three grandchildren, Ezra, Isaac and William Chinn; and one niece, LuAnn Hodges. The family would like to thank the staff at Emogene Dolin Jones Hospice House for their care. There will be a memorial service held at 2 p.m. on Saturday, January 21, 2023 at Hall Funeral Home and Crematory in Proctorville, OH officiated by Pastor Roger Pierce with the Eastern Star service starting at 1:45 p.m. Visitation will be one hour prior to the service. Condolences may be expressed at [www.ehallfuneralhome.com](http://www.ehallfuneralhome.com).

I met Barbara in 1979 when she, Greg, & Brad moved into the house next door. Michael & I became fast friends with them. So many memories but the one memory of her that showed her true character was when she hurt her ankle right before we left for a day trip to Snowshoe. She never said a word about it. She didn't want to ruin every one's trip. She was a trooper, she tried to learn to ski. We didn't know until we tried to remove her boots & her ankle was so swollen we almost couldn't get it off. We took her to the ER as soon as we got home. I will miss & Love you forever and cherish all my memories of you. RIP Barbie

Barb and I became best friends in high school. I was 15 and she was 16. We were inseparable. Barb shared everything with me. Her hopes, her dreams, her fears, her family, and yes even her clothes. Barb and her family became the family I didn't have. They all brought me into the nest, and nurtured me and loved me unconditionally. I cannot express, even now, 50 years later, how wonderful it was. I will never forget how much Barbara and this family did for me. My gratitude and affection will never diminish. I feel empty today after this loss. I will miss you.
