Angie And Gary Welch lit a candle in honor of David.

I always remember David being away in the Air Force when I was younger We visited the farm many times as my father was a lifer in the Army and his mother Vada was my moms sister. After marriage and children we had a few reunions at the farm. I became fond of the relationships with David and Richard. Running through the barn and catching fire flies and wading in the creek. Sitting on the front porch was a treat. As I grew older David would make his calls on the weekend and I would be lucky enough to be one of them. I always remember him with a smile and hugs and kisses. He will be dearly missed. I love you cousin. Angie welch Prayers to all the family
