knew about her love of food, with macn cheese as her primary staple. She spent many hours searching for new recipes for her mom to make. She liked to read, especially Nora Roberts romance novels. She was a member of 4H for five years, earning Grand Reserve Champion in 2013 with her rabbits. She loved her family. She loved babysitting. She loved helping others, often volunteering to assist with special education students and the Special Olympics; later working at the Autism Services Center in Huntington WV. Despite often having two left feet, she was an avid sports player, participating in basketball, track, volleyball, baseball and cheerleading. She was also a fan who watched many games alongside her family, frequently debating who OSU would beat. It was a joy to hear her giggle and to see her mischievous side. She was always very quiet growing up, a quietness that hid the fierce strength she carried inside. That strength and fierceness allowed her to bravely fight -- and mostly win three battles with leukemia. She endured much over the past five years but never let her beautiful light dim. She will always be an inspiration to us. We love you, BB. We miss you. Were so very proud of the lovely young lady you became. You are loved beyond measure. In lieu of flowers, memorial donations may be made to the "Dear Jack" foundation (www.dearjackfoundation.org/donate) in Brianas honor. Funeral Service will be held Saturday, December 21, 2019 at 6 P.M. at Hall Funeral Home and Crematory, Proctorville, Ohio with Pastor Bill Markins officiating. Visitation will be held on Saturday, December 21, 2019 from 5 to 6 P.M. at Hall Funeral Home and Crematory, Proctorville, Ohio.
