Chance Cremeans lit a candle in honor of Scotty.

I remember Scott coming over all the time when we still lived in crown city when I was growing up... He was a good man and good friend of the Cremeans family. He would always joke and play around with me and my siblings when he was there. Dad would always get onto us kids for 'aggravating' him but Scott didn't mind. He will be dearly missed. Watch over us through these tough times Scott.
