You were always my best friend, you were always my go to, your selflessness and humbleness sets you apart from anyone in this world. When you left, a piece of me left with you. I'll always love you, I'll always cherish our memories, and I will always work to try and be at least half the man you were. You were the best grandfather a boy could have ever asked for. Now my guardian angel. I love you papaw. Love Josh
