Joyce, John and Family:It saddens me, greatly, to learn that Patty has died. There are so many beautiful memories of an amazing teenage girl and your family, from days gone by, flooding my mind. The joy, happiness, and compassion Patty brought to the world, even as a young woman, touched the lives of many of us. Please know that you and your family are in my thoughts as you walk through this challenging time. Fly high with the angels, Patty, fly high.
