**Linda Kay Murray** lit a candle in honor of Larry.

Oh how Larry will be missed. When I think of him I cannot help but remember his many jokes he played on his coworkers. He was such a jokester. The best one was when he filled our 'new' director's upper cabinet full of packing peanuts while he was gone on vacation. It took a little while for him to open the cabinet but when it happened Larry almost hit the floor laughing. I like to think Larry has the Angels giggling in heaven already. Thank you for bringing a smile to each day at CHH Maintenance Shop.
