I hate that this is how your story ended and I hate that I wasn't there as much as I should have been. You deserved so much more during that time and I can't say enough how much I miss you. Hunter misses you, my mother misses you, your son's miss you, everyone misses you. You gave me so much when I needed it and I am forever grateful. Marsha I pray you are at peace looking down at your babies and seeing all the greatness they bring to the world. It's the genes, Thank you Queen - love you until we meet again, Jessi

I am so sorry to hear this. Marsha and I had a lot of laughs and good times together! She loved her kids and grandkids and her family. I haven't seen her for awhile and didn't know she was sick. Fly high my friend! ❤️❤️❤️

Rest in peace, my beautiful friend. I will miss your sense of humor most. You were one strong woman, loving grandmother and mother. I know that Hunter will have the strongest memories of all the good times and movie watching you did with him. He learned so much from you. I already miss you. I pray that you are at peace without suffering in the arms of our Lord. Fly high sweet friend.
