# Margaret "Peggy" Ruth Boster Davidson

MAR 10, 1962 - DEC 30, 2022

**M**argaret "Peggy" Ruth Boster Davidson, 60, of Martinsburg, WV - formerly of Chesapeake, OH - entered into her heavenly abode on Friday, December 30, 2022, at home. Peggy was born on March 10, 1962, in Huntington, WV, the daughter of the late Jack and Mary Pike Boster. In addition to her parents, she was preceded in death by her maternal and paternal grandparents. Peggy is survived by her daughter, Kathryn Davidson, whom she adored, of Martinsburg; a sister, Panda Powell, of Tyler, TX; two aunts, Sharon Bartley of Raceland, KY; and Sally Linn of Ironton, OH; her former husband Bruce Davidson, and many beloved nieces, nephews, cousins, and friends.

Throughout her childhood, Peggy grew up in the Chesapeake Nazarene Church where she found her faith in God that carried her through many difficult times. She expressed her faith continually and demonstrated her love and giving heart through her selfless generosity to others and in supporting many personal causes. Peggy graduated from Chesapeake (OH) High School in 1980 and attended Marshall University. Although her favorite color was orange, she maintained her love for Marshall University green, and wore it proudly. She was hired by the Internal Revenue Service and relocated to the Martinsburg, WV area where she retired and continued to reside. During her career, Peggy befriended several of her co-workers and shared many wonderful moments together with them at work and outside of work. She was a kind, loving, sincere and beautiful soul, and she always enjoyed a great conversation with lots of laughter.

Kathryn and Peggy were not just mother and daughter, they were best friends. Both of them loved to attend "paint nights" where they created their very own art masterpieces. Peggy was an avid crochet artist, making wonderful hand-made gifts for her relatives and friends. The two of them enjoyed traveling to interesting places all across the United States. Peggy had visited all 50 states throughout her lifetime,

but among her favorite destinations was Amish country in nearby Pennsylvania, where she explored, shopped and enjoyed the musical shows and theatrical performances. Whenever she had the opportunity, she would visit her friends and relatives at her hometown area and might be found taking on a good game of Canasta with her aunts and cousins. Peggy was deeply loved, and her smile and laughter will forever be remembered and missed.

A Graveside Service will be held at 1 P.M. Friday, January 6, 2023, at the Rome Cemetery, Proctorville, OH, with Pastor Rob Jones officiating. There will be no visitation.

I grew up with Peggy at the Chesapeake church the Nazarene. I was in the Bible quiz team with her and I'm sure my memory does not serve me, but we must've traveled a lot together and spent a lot of time together as young kids. She was smart and witty. We enjoyed the band together and she was a lovely human being. I talked to her in years Over Facebook messenger it would've been nice to spend more time together. I enjoy seeing pictures of her with me in the Bible quiz team with others that grew up with us and Sunday school class. So many are gone and now the church is gone and there are so many remain that love, Peggy and the memories that we have shared, looking forward to heaven one day and seeing her again. I hope her daughter sees this and knows how much her mother was loved by others. It's not goodbye, but see you again my friend. Much Love Shelley Brown

I am so sad to hear of Peggy's passing. I worked with her for many years at the IRS. I remember her to be caring, funny and a good friend. She was a kind soul and was always willing to help anyone that needed it. But her love and devotion to her daughter Kathryn was her shining light. May the lord bless you and your family. Rest In Peace my friend.

How I met Peggy Boster Davidson: I met Peggy after moving to Chesapeake, as a freshman at Chesapeake High School. I shared a class with her and easily became her friend. She was always easy to talk to, with a good sense of humor, and of course a special love and proudly played in the high school band. We kept in contact through the years through cards, reunions and facebook/messenger. Her daughter, Katheryn, was always the joy of her life. Peggy posted several of the places they had been together. To her daughter, Katheryn, and other family members I am sorry for your loss of such a special person. May you find comfort in knowing that heaven has gained Peggy as an Angel. May God bless you all. ❤️

Peggy and I went to Chesapeake High School and attended Marshall University together. Although we lived hours away from each other we often would call or text each other. Always it seemed as if we just resumed the conversation we had weeks ago. We started where we left off. The thing I remember the most about Peggy was her quick and easy laughter. She found humour in everything. She was cheerful about life. She was always after me to retire and enjoy life. I still am startled by a world without my friend being just a phone call away.
