My heart is completely shattered. Lakin was one of the most sweetest, kindest kids u would ever meet now days. He wore his heart on his sleeve and would help anyone. I was truly blessed to have him in my life for what time I did. No matter how my day at work was going he would always message me and joke about me being at work and him being at school. He had a way with making u smile no matter what kind of day u was having. He was loved by so many and he loved with all his heart. My thoughts and prayers go out to everyone. Not just family anyone whose life's have been touched because of lakin. I remember crab hunting with him at the beach yrs ago. He would laugh at me cause I was scared of them things but not him he would run down the beach after them lol. I'm going to miss u like crazy Bub. Love u Lakin

Lakin was the absolute sweetest, beautiful boy. As his cousin, I would see him every Sunday at my grandmother's (his great grandmother's) house, then on holidays and family events. He was always joking, smiling, or being ornery. Lakin was so sweet and sensitive, with a heart of gold. This is him at Easter when he was about 2 or 3. All smiles, like usual.

I remember at when I asked you "what sound does a hippo make" and you would make a random noise. Out of nowhere you would say "do a flip" or "yeah" or "bear." You would throw softball and everything. I miss you bub and I love you so much. Writing this right now is making me cry to the point I cant stand you being gone. You were my bestfriend and still is. I love you more than words can explain.

Q: What 3 words best describe Lakin and why? A: Kind!!! Considerate!!! Caring!!!! remember many times Lakin would come over and just ask if I needed any help, or was there anything he could do. I remember the time I asked him if he knew of some old rocks I could use for my plants. He didn't stop until he found me some out in an old brush pile. I remember the time I asked him to help me move some heavy leaves from my yard. Sure enough he was there to lift and carry them. He had so much to offer and I'm so sorry to lose him at such a young age. I'll miss him tremendously. He was such a kind, caring, and considerate person.
