I have known Naomi for several years and she is so sweet and kind. We clicked instantly. She treated my family as we were her own family as well. We call her mawmaw. She has been there when I needed some advise. Been there when i needed a shoulder to cry on. Also been there to pick on me about JT being yours and that we all have to be nice to him. Mawmaw you may be gone but never forgotten. I know your not in pain any more and that your not suffering. It just dont seem real. We love you.
