Tara Pierce lit a candle in honor of Donna.

Where to begin...we had a close relationship that I even called Momma Don because you felt like a mom to me and you would call me your daughter. I was there for you when you needed me. And vice versa. We have so many great memories and some not so good ones but we always worked through it and loved each other more. I will miss you, your laughter, your love, your advice, and most of all your wonderful smile!! I love you to the moon and back!! We would always say Later on the phone when we hung up cause goodbye was too harsh so I will say Later cause I will see you again later!!

I wasn't ever ready to say good-bye to you. Now that I know you are where you want to be is with your husband, mom, Tiny, and your fiancee Jim. I am doing everything possible that you wanted me to take care of for you. Now that you are gone, I will see you again one day with the rest of our family. You are my Big sister that I will always Love no matter what.Love you always Donnie,Sister Carol
