I will always remember her giggle as well as her annual phone calls with a birthday song! She had a way of being so matter of fact but with the biggest heart! My children remember spending time sitting on Mamaw's lap.....perhaps with a toy that Papaw had brought home!

My deepest sympathies to the Napier family on the loss of your Mom, Aunt, grandmother and best friend. Every time she visited she lit up the room with her laugh and beautiful smile. Everyone that met her LOVED her for her compassion and caring which will live on through her daughter Sheley and niece Melissa! So glad God made our paths cross to have each one of you (including Ilona) lead me back to Christ. God comforts us so we may comfort others. Prayers of peace and comfort-the angels are rejoicing! Love from Laura Brindza

I've not said anything yet because quite frankly I didn't know what to say. But it's been a whole week since this beautiful woman left us. My foundation has been rocked to its core. Losing pap nearly 6 years ago and now mamaw...it's feeling impossible to find my footing. They were everything. They were my solid ground and I'm not sure yet how to navigate a world without them. I never wanted to have to and foolishly never imagined a time where I'd have to. My beautiful mamaw, I love you dearly. I always admired you, every amazing quality you embodied. Thank you for showing me what it feels like to be unconditionally loved, without judgement. Thank you for always being there for me, my entire life, without question. Thank you for being you. I'll miss you always. I'll hold you in my heart always. And I'll forever love you.

Ilona was one of my favorite sisters of my Grandma. Some of them scared me, but she was always so kind. It has been such a long time since I have seen her but I can still remember her laugh. She always seemed so easy going. I remember all the fun that we had when I got to stay down at her house. You all are in my thoughts.

Ilona welcomed me into her home every time I showed up. Always smiling. Always loving. She had such patience with a house full of teenagers/20 somethings. She never spoke a harsh word. She never made me feel like a burden. She treated me like one of her own. Fed me; cared for me. She was a true Proverbs 31 woman and she has left a tremendous void in this world of ours.

From Carter Caves to Camden Park, you and mom made sure we had wonderful memories! Growing up, you gave the best motherly advice and made the best candy! My kids always thought you were their Mamaw! You are what we all should aspire to be! A kind and loving person! You are loved and will be missed!

Aunt Ilona along with Aunt Leslie would sneak me into the kitchen to eat cake before it was even iced at Grandma Napier's. She was a sweetheart. Prayers for the family.

Aunt Ilona, you had the most beautiful and cheerful soul! Always looking out for everyone else and making sure no matter what our mood was that we always laughed and smiled. You will forever live in our memories and hearts. Rest peacefully with those gone before you and in the arms of The Lord. Prayers for the entire family as we mourn our loss of our dear Looney Loney.

I'll never forget the day I wrecked and the first face I saw was Aunt Ilona and Shellie. I had not seen her in forever and she had no idea she was running to my rescue. The kindness lady I've ever known. Much love and prayers for the family.

Sheley Napier lit a candle in honor of Ilona.

There are so many memories that it would take another lifetime to share. My parents never met a stranger (or a stray). They helped anyone they could whenever they could however they could. Nothing brought them more joy than each addition to the family. Mom cherished being a Mamaw and excelled at it. From stories to cooking to singing the silliest songs to playing pretend to cheering for them to snuggling them on her lap, there was no one better. It was definitely naive, but I never actually believed this day would come for either you or Daddy. It seemed like some horror to be dreaded, not part of our "real" lives. Even after Daddy left us, you kept him so present for me that it still seemed something surreal. You were both so solid, were so quietly strong, are so fundamental to my worldview that it seems impossible that you're both gone. Quite literally, I have seen or talked to you almost every single day of my life, often more than once. If we didn't talk, there were voice mails left. The empty space you have left is enormous, as was your capacity to love and impact on everyone you met. There are no words for how much I miss you already, for how much I love you. Always, Sheley! Thank my God upon every remembrance of you, Phil 1:3 KJV
