Robin Elizabeth Adkins

APR 14, 1956 - MAY 14, 2018

You quench my heart, and love, you quench my mind. Lets celebrate, oh celebrate, we will, cause life is short but sweet for certain." - Dave Matthews

Robin Elizabeth Adkins, age 62, passed away peacefully in her home on May 14th, 2018 surrounded by those who loved her most. Robin was born in Huntington and spent a portion of her childhood in New York and New Jersey. Those who knew Robin knew her as a fierce animal rights advocate, radical feminist, staunch champion for anyone in need, but most of all as a person filled with love and light. Robin married her husband, Randall Adkins, in 1978 after a whirlwind courtship. Their three children and spouses are Tim Adkins and Amanda Coleman, Michelle and Ben Thacker, and Paige and Jeff Markun, who were her world. Those children gave her seven grandchildren who quickly eclipsed her children in her heart, which is exactly what we expected. She taught Mea, Brennan, Lil, Luca, Keir, Telly, and Nico to squeeze the joy out of every moment, to care deeply for others and to always, always find a reason to dance as though no one was watching. Robin was preceded in death by her parents and dear grandparents: Howard Whitehair, Elizabeth Dennison, John and Mary Whitehair, Julian and Lillian Aldridge, as well as her beloved dog George. Many beloved family and friends will carry on her free-spirited, loving legacy: Dawn Greene and the Aldridge family, the Lieving family, the Fredrick family, and Katy Smith. It is exceedingly difficult to sum up a life in so few words. All we know is that the world is a better place, and our lives were better, because she was in it. We will host a celebration of Robins life during her favorite month of October. In lieu of flowers, please consider making a donation in Robins name to One By One Animal Rescue, 216 Eleventh Avenue West, Huntington West Virginia, 25701. Hall Funeral Home and Crematory, Proctorville, Ohio is assisting the family with arrangements. Condolences may be expressed to the family at www.ehallfuneralhome.com.

Growing up, Robin was the coolest mom in school. She not only allowed, but embraced live music in her abode to us wild and artistic teenagers. My most favorite memory was pre-prom photo session 1992 Chesapeake High School. If I remember correctly, this was Tim and Amanda's first date. A few couples posed in front of a festively decorated Christmas tree... in May! She thought it was pretty and kept it up; lucky for us to have the best background ever. I haven't located these photographs, but they do live vividly in my mind. Every moment I spent in the presence of Robin felt like a million moments. She radiated this light and energy that was so positive and uplifting. I swear the woman never aged, her smile was timeless. If I can think of anyone to become the best guardian angel to her family, it is Robin. I will never understand why the best people pass prematurely, but know she lived her life to the fullest expansion and left behind the greatest gifts, pieces of herself within her children and grandchildren. Her light will carry on within them, no doubt. We should all be grateful for more Robins in this world. (wow. birds literally just began to sing as I typed the last line).
