Harold Finley lit a candle in honor of Michael "Mike".

Mike, his younger brother Tim and cousin Randy Bone along with my brothers and friends from the Brown Street, Powhatten Avenue area, shared a lot of sand lot games in our grade school years. Many baseball, football and the occasional basketball games were played at what was then Chesapeake West Elementary school and then Riverside Pool for swimming and tennis. What wonderful neighborhood memories were made through the sixties and early seventies. You were always a great friend Brother Mike Bone, you will be missed. I now reflect and Thank God for the Blessings of those friendships and fellowship bonds we made through God's grace and Mercies!!!! May God rest your soul!!!
