I got to know Fran through our life groups and Bible studies at Lewis Memorial. He was such a friendly and warm man easy to get to know and his willingness to share in class always something I looked forward too. His infectious smile and sense of humor made him someone you could rib with and believe me he could dish it out as well as receive it. I will miss him and consider myself blessed that God chose us to cross paths in this life. It was a short but special time and I will miss him but know that I will see him again some day. (PS - this is just for you Fran, I hope they teach you to park in Heaven.)
