I was in Marysville with Chelsey and I always loved her smile, her laugh and her aura. She was a very special young woman and even in the worst of times she never forgot to smile, or to try to cheer someone up. I never knew her outside of the walls that we were in together but I always kept in contact with her and would send stamps and video grams. When she got out she friend requested me and since we have both been living our lives. I remember how she would talk about her sister and the babies. Her family was her world. You were a special person Chelsey and I saw God working in you and through you and it was beautiful. May you rest easy with the Lord and watch over all of us. Until we meet again. Love your friend Sarah Bianca.
