Betty, I would not ask for a better sister. I could call you anytime, day or night. You was always there for me for anything, just like I was always there for you. Betty took such great care of mommy and daddy. Betty and Tommy treated me so good. She always asked me to come visit and when I would leave, she would always ask, when are you coming back? I already miss you so much and I love you much more! Love your sister Stella

Aunt Betty, How would I describe her? She was a role model to us all. She loved her family deeply. She thought the world of Jeremy and Berea! She always put them first. Anytime they needed her she would drop everything for them. She was a proud Momma! She thought the world of Tommy. She used to laugh so much when I picked on him! She loved talking on the phone with her sister Stella (my mom) and I am not exaggerating when I say they talked for hours. My mom loved hearing about all the grand babies. They were such a blessing to Betty. She loved talking about what the grandkids has done cute and what they have learned. God called on a complete Angel! She will be missed so much! Love you Betty from your niece Candy

Tera Duty lit a candle in honor of Betty.

I loved the time spent with Betty at God's Full Gospel Church. She was such a joy to be around. She always spoke of a positive outcome in any situation. I know that she didn't realize how much her testimonies helped and uplifted me. I always thought that I needed to be more like her. She truly loved the Lord and her family. I'll never forget her! My thoughts and prayers go out to all her family.
