Linda Brubaker lit a candle in honor of Elizabeth.

I was able to be a caregiver to you and provide you with all the care that I could. I got to sit with you in your room and enjoy hearing long ago stories about your life and enjoying the joy and laughter after. I thought about you everyday I wasn't at work and wondered to myself if you were well taken care of when I wasn't able to provide the care myself. You are definitely my family inside and out. You are truly missed! I love you ☐ Love, your Lindsey. (Linda Brubaker)

I Love you so much, and I miss you more everyday. Im struggling mom, I keep waiting for the nursing home to call with a report, walking down the candy isle looking for your favorite snacks, stopping to see which bouquet Ill bring you from Kroger, and every song that plays reminds me of you. I promised you Id look after everyone, and I will. Ill be okay, just not right now.
