Sorry for your families loss. I remember Brenda well. I worked at Refrigerated Express with many of her family members. I would see her often at company functions and around the business. She always had an infectious smile. Rest in peace.

We hated to hear of Brenda's passing. She was a friend, confidante, and encourager to all of us during my breast cancer battle a few years back. We always had fun swapping Grandkid stories too! Our thoughts and prayers are with Bernie and the family. The TomlinsTom and Jennifer
