I am so very sorry to hear of Donnie's passing. Donnie and I became good buddies when he was my patient at Holzer Clinic. He was the funniest, kindest, and one of the most genuine people I have ever met. He told the best stories (I can still remember MANY of them) and always had me in stitches. I will never forget him and his zest for life, and his deep love for Pam and his girls. Please know that I will be thinking of you guys, and I will be thinking about Donnie and all those great stories....

Pam, Jessica and Ashley, I am so very sorry for your loss. I have many fond memories of Donnie growing up from him making us trout for lunch to catching ground moles in the backyard. I remember spending lots of summers taking over his garage with Ashley and Jessica until he built the best treehouse us kids had ever seen. I think mainly so he could get his garage back from all of us girls. He will definitely be missed! Lots of love and hugs to you all. Christina
