De De, You were always a glowing light whenever I came home. You were always running up to give me a hug a talk about your family and what was going on and made me feel loved when around you.. You always shared a story about Meemaw. Your heart was big and infectious to those around you. It will hurt that you are gone but your spirit will always remain among us. Rest easy and fly high baby girl. Love you De

The incomparable Deidre, blessed with the spirit of endless adventure, wisdom beyond her years, and an intelligence sharp as a blade. Possessing a heart abundant with generosity and kindness, she brought laughter and light into every life she touched. Her creativity knew no bounds and her thoughtfulness was unparalleled. We were privileged to witness her passionate journey in this worldly realm that was marked by courage and the depth of love akin to that of my own child, before the Divine called her home.
