Papaw, I cant believe this day has came nor the ache my heart feels knowing my papaw is gone. I love you so so much and appreciate all you have did for me thru out the 31 years I was lucky enough to have had you by my side. You was more than just my 'papaw'. You have been my best friend & a 'father' figure in many ways. I thank you for always picking me up and setting me back down gently, while sternly pushing me forward and bringing out the best in me. You was such an amazing papaw and I cant stand to think I have to go the rest of my life without you. I hope you are finally healthy, happy, singing, dancing and rejoicing with our loved ones and the Angel's in Heaven. I am forever heartbroken and torn for not being around when you and mamaw needed me the most nor able to be there for the family in this horrible sad time. I will forever miss you and will keep our memories and your teachings close in heart until we meet again..... 🙏❤️😭
