I'm Free Don't grieve for me, for now I'm free, I'm following the path God laid for me. I took His hand when I heard Him call, I turned my back and left it all. I could not stay another day To laugh, to love, to work or play. Tasks left

undone must stay that way. I found that place at the close of day. If my passing has left a void, Then fill it with remembered joy. A friendship shared, a laugh, a kiss. Ah yes, these things, I too, will miss. Be not burdened with times of sorrow. I wish you the sunshine of tomorrow. My life's been full, I savored much Good friends, good times, a loved one's touch. Perhaps my time seems all to brief; Don't lengthen it now with undue grief. Lift up your heart and share with me God wanted me now, He set me free.
