I don't reside in that area and haven't been on social media for a long while now. I just learned of Mary's passing. I have many fond memories of her, our times in years past at the old CTC, going home with Valerie after church, and sometimes spending a few days at a time there. We always had a lot of fun. Mary was a lovely person who seemed always to have a smile to share when you saw her. She loved her family very much. In loving memory of Mary, who was a wonderful person. May God bless and keep your family, bringing each of you peace and comfort.

Just saw this. Super sad that she had to go but now her and Jim can hang out once again and bicker about who's selling what too cheap at the flea market! Great memories with them.

We all realize that the passing of a loved one is a part of life but regardless of how strong we are, or how prepared we may be, the passing of a Mother is still a painful thing. My sympathies to Valerie, Jim Ray, and Dustin.
