Now that they are together all that is left is the pain that their actions left us with. My only prayer was for your husband to take his death and become the man you wanted. The pain will always be there. Just don't let it consume you. I am sorry for your families loss. Yet even more devastating he won't be what I prayed he would be. May God carry you during this time.

My late mother (Wauneta Stallo Fyvie) and I visited Joe and Jeri on their farm in the 90's. Little Joe and Marcus were adorable, happy little guys, and it broke my heart to hear this unbearably sad news. Looks like little Joe grew into a great guy, and he sure reminds me of his Dad. My deepest condolence to all family members in this extremely difficult time. God keep you all. Love, Cousin Mary Fyvie Poalelungi
