Naomi and Sisters, please accept my condolences on the loss of your mother, Tammy. She fought so hard to remain here for all of you, but God had his own plans. Tammy was fun to be around, even during times she didn't feel well. She will be missed. SOH

Many thoughts and prayers! I can not remember a time that I saw you in or outside of the store that you didn't have a smile in your face. Even during your battle, you were always smiling and staying strong. You had a heart bigger than life and it definitely showed wherever you were. Prayers for comfort for your daughters and family
