Douglas Allen West

JAN 22, 1960 - SEP 16, 2020

Douglas Allen West, 60, of Ona, WV was called to his Heavenly home on Sept 16, 2020 surrounded by his loving family. Doug was born in Welch W.V. on Jan 22, 1960 and was a resident of Roderfield before moving to the Huntington area in his early twenties. Doug was a hard worker and never once complained, instead he always thanked GOD for being healthy enough and able to do so. He was a Law Enforcement Officer for 30 plus years working with various agencies including, Cabell County Courthouse, Police Chief of the Huntington Tri-State Airport, and his last placement with the Winfield PD. He was also retired from his position as a Security Officer at Walmart on Route 60 after 25 plus years. To know Doug was to love him. He could brighten up a room with just his smile. Never wanting to be the center of attention, but always capturing it with his loving nature and his love for making people laugh. He knew people everywhere he went and never met a stranger. Doug loved to fish, work, walk, and listen to music, but his top priority was spending time with his family. He never missed a chance to surround himself with family. Awaiting him at his heavenly home is his loving mother, Brenda Kay West. Those left here to cherish his memory are, the love of his life and faithful best friend, L. West, His Father Ronald D. West, (Mary); sister Traci (Mark) McCombs, and brother Clark (Donna) West all of WV. Missing him forever are his children Kristen (Jason) Ketchum, Aaron (Kelly) West TN, Jennifer(Nathan) Fusco SC, Janet(Daniel) Moreno DC, Christian (Alesha) West FL, Mathew(Mariko) West WV, B. Allan AZ, and his "fur" daughter Holly Puppy who he loved so very much; grandchildren Brooklyn, Jadon, Finley, and Oakley Ketchum, Emma, Kerigan, and Claire West, Sophie and Michael Fusco, Luke Moreno, and Belle West; and several nieces and nephews. Doug was a faithful Christian and though he will be greatly missed we rejoice in the fact that we will reunite with him one day. Visitation will be held at Hall Funeral Home and Crematory in Proctorville, OH from 6-8 on Saturday September

Traci, Janet, Jennifer, Christian, Matthew, and all other family members I never met, I offer my deepest condolences. I am so very saddened to hear of his passing. Doug was someone who was not only a co-worker and friend but someone who gave me guidance and advice many times over the years that I knew him. His goofy antics gave me many laughs. With all of the lives that Doug has touched, an ocean of tears have been shed at his passing.

I was so saddened to hear about Doug. I coached him when he played for the McKenzie Raiders in the Sandy River Midget League at laeger. An outstanding player. I occasionally would run into him in Wal-Mart through the years, in fact, I would often look for him. So glad to know he loved the LORD.

My thoughts and prayers are with all his children and family. Doug is definitely in heaven and will always be with us all, he taught us through hard work and dedication that life is wonderful believing in God and yourself will always keep a smile on your face. Working with him at Tristate Airport over the years and always seeing him at Walmart sharing stories about work and children. He loved his family and was glad he gave them a good life. I was shocked to hear about his passing. I will miss his friendship and I'm extremely thankful that I had the opportunity to know him. A Great Man! And so Proud that he served law enforcement. Especially when the President came to Huntington. Rest in peace. Your friend Pat.

I will always remember cousin Doug with a smile and regret that I never spent more time with him after we grew up and went our separate ways. Doug was tough and ruggedly handsome outside and beautifully tender and sweet inside. Because he was always admirably honest, I was not surprised when the young Doug promptly turned in an envelope full of money that he found in a local store. Nor was I surprised when he knocked out a seasoned opponent about one minute into a boxing match that his parents and I attended in Beckley. I turned to say something to Brenda, the crowd roared, and when I turned around, his opponent was lying on the floor, wanting no more of Doug's powerful punches, I'm sure. Like the boxing match Tough Man Contest that ended so quickly, Doug left us way too soon and wanting more of his smiling, positive presence in our lives. Tough as he was, Doug was also God-fearing and held great reverence for all things related to Jesus. He, I believe, made his peace with the Lord during the '70's when we all gathered for the many wonderful youth-filled services at the Roderfield Methodist Church. Doug was engaging, fun and sometimes humorous when he we had the catch-up conversations that cousins so often have when reuniting for special occasions. Most of all, Doug had a king size heart and was sensitive and sweet, something that greatly endeared him to those of us who knew and loved him. I will miss his mischievous laugh, his happy-to-see-you hugs and the big smile that forever graced his handsome face. We are all better for having known Doug and for the difference he made in our lives. Our world is diminished by his passing, but Heaven, I am sure, just got a wee bit brighter with his arrival.

Doug, I could hardly believe the news of your sickness and was totally heartbroken when they said you had passed. I just wish we could have spent more time together in our later years. I'll never forget you, my faithful friend, because you really left an indelible mark on my life. We had been friends since childhood and I was always impressed with your faithfulness to our friendship, and most of all, your faithfulness to our Lord. During all the years we spent together as friends, I never heard a word of profanity come out of your mouth and I never, at no time, saw you take a drink of beerliquor; and I never witnessed you do any kind of drugs. You were an extraordinary, young man, chosen by God from childhood, and I always loved and respected who and what you were. You carried yourself with confidence and you always looked out for me when I had overindulged in alcoholic beverages. I recall that you would drive us around half the night and we would always sleep in my old truck. Oh, how I will miss you, my friend! I have so many fond memories of you that it would take me several days to list them all. I just want you to know that I love you and I'll sure miss you more than words can say. You left us way too soon, my friend, and life just won't be the same without you. Rest In Peace, Doug, and know that I'm looking forward to that day when we'll meet again up there where we'll never say goodbye again. I'm your forever friend! Donald

As a young boy, Doug played midget league football for my Dad in laeger, WV. As a young man, he served as a police officer with my husband at Marshall University. Although I didn't really know Doug personally, I felt like I did because my Dad and my husband spoke so well of him and he was so friendly and outgoing, always willing to lend a helping hand. I am so sorry for your loss.
